## LEARNING AND COURSE MATERIALS AGREEMENT

### LEARNING AGREEMENT (ALL SCUBA COURSES)

Name \_\_\_\_\_ Initial \_\_\_\_\_

E-Mail \_\_\_\_\_ Phone: (H) \_\_\_\_\_ (W) \_\_\_\_\_

Welcome to your course with Pretty S.A.F.E. Enterprises. Diver training is meant to be fun and is or probably going to be one of your main recreational activities. With any form of learning there is work and dedication involved, especially with mastering a new skill set to be able to safely explore an environment humans do not usually exist in. This learning will require you to invest some time and effort reading, studying and completing homework on your own time.

The **Course Material Agreement** is straightforward and makes you responsible for materials that you have to return at the end of the course.

PSE offers courses from various training agencies as follows:

PLEASE CHECK THE AGENCY YOU ARE TAKING THE COURSE FROM

- SDI (SCUBA Diving International) course
- ACUC (American Canadian Underwater Certification) course
- PADI (Professional Association Diving Instructors) course
- DAN (Divers Alert Network)

I understand that I will have to return the following materials on the last pool night of the course:

1. \_\_\_\_\_ Serial Number \_\_\_\_\_; 2. \_\_\_\_\_ Serial Number \_\_\_\_\_;  
3. \_\_\_\_\_ Serial Number \_\_\_\_\_; 4. \_\_\_\_\_ Serial Number \_\_\_\_\_;

This **Learning Agreement** is between you (the student) and Pretty S.A.F.E. Enterprises instructional staff regarding our mutual responsibilities in this program.

#### **Student Responsibilities**

The student agrees to study independently as specified by the instructor and directions in this agreement. In general this means that, before each class session you will:

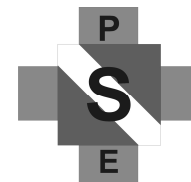

- a. Watch DVD / CD Rom portion / chapter as required
- b. Read the appropriate chapters and handouts
- c. Complete knowledge reviews
- d. In addition, the student agrees to:
  - Follow all course procedures as directed by the instructor and staff,
  - Ask questions about anything not understood, and
  - Show up for all sessions on time and prepared.

If the student arrives at class, but has failed to complete and turn in assigned work or if the student fails to arrive on time, it may be necessary to make up the work and continue the class at a later date. The student will be responsible for any additional costs this causes. In rescheduling and determining additional costs PSE agrees to give every reasonable consideration to unforeseen events such as family emergencies that might lead to such a situation.

Payments must be made according to the payment plan in the application. Refunds will be for medical reasons **ONLY**. If a student withdraws for other than medical reasons and the course materials have not been used a prorated discount will occur based on the time remaining in the course.

Master all the important academic information. Traditionally, this required several hours of formal classroom training. Now, through on-line training, you can complete this phase through self-study, at your own pace, in the convenience of your home or office. For a sample visit <http://www.sdi-onlinetraining.com/>

**PLEASE NOTE YOU SHOULD PURCHASE THE ONLINE CODE FROM YOUR INSTRUCTOR, AS THE PRICE OF THE COURSE REMAINS THE SAME. You can buy it online directly from SDI but the course will end up costing more. The CD ROM version is the same just on a CD ROM and does not need the Internet.**
